Boutte just not big enough - after a terrific 3 game stretch Kayshon limps off in Week 9

 A.1: Everybody loves a good wumbo jumbo set, especially this year's Tewa sippin'

B. Beans
frontrunner. But OH SNAP! There goes another ACL! This time Tucker Kraft busted his knee and is IR bound. With 5 TE's rostered the dual set isn't dead just yet for ole Andy, but maybe this will be the chink in the armor the rest of the league needs to bring this drunk bastard back down to earth. As for the Packers they are showing they might be mid, so losing their security blanket over the middle doesn't bode well with their remaining schedule.

POST PHUNNIES

"WHY WON'T THEY JUST THROW THE FUCKING BALL TO HUNTER HENWY"

- COOP

A.2: Kayshon Boutte has been able to catch just about every deep ball this season, until now. Can't catch anything on the bench and that's where he's gonna be with a hurt hammy. At least Jennette can sleep well at night knowing no combination of Potential Points could've saved him this week from getting curb stopped!

A.3: "Why can't MY PLAYERS score TDs?" Rome Odropsies couldn't secure any catches in a Bears offensive onslaught Sunday. Even Kmet caught one. If you haven't heard Drew lost this week, even though he won.
