Sam Darnold channeled his inner Jet this week with 3 turnovers!

B. Beans

A.1: Just when you think you're getting a playmaker back...POP! There

goes Garrett Wilson's knee! Tough week for the guy, loses some defensive studs and is left behind on a Jets team that some fans believe may "have some direction now" ya sure, and then finally makes his return to the field only to sprain his knee and likely miss another 3-4 weeks. In a wild turn of events Brian has begun wheeling and dealing and has completely said F-you to healthy WR Tre Harris. Wonder who gets hurt this week?! #FreeTre

A.2: Silly Sammy, fumbies are for losers! Sam Darnold and the Seahawks managed to demolish the Cardinals even with 2 fumbles and an interception. Lucky for him they had stud RBs Z. Charbonnet and G. Holani in the backfield! Tough week in the office for Coop losing to Jenette.

A.3: Some talk around the town this week was about newly added RB C. Rodriguez (scored a TD), but not much was said about BIG BILL. Croskey-Merritt has now scored under 5.5pts five weeks in a row. AAHHH I DON'T KNOWWW JIIMMM, NOT LOOKKIIINNGG GOOOOODDDD!
